About California Rock Camp

The CRC provides adult rock fans living outside California to come experience their rock dreams in a **4 day / 3 night** long weekend session of **jams, one-on-one lessons, band clinics, studio recording and Celebrity Master Clinics**. To insure the ideal environment to learn, each session has a **Pro Faculty** and is limited to only **10 campers maximum**. The guitar, bass, drums, keyboard and vocal workshops and rehearsals at night are focused on learning the **CRC Essential Song List** which contains a collection of famous and legendary classic rock tunes from the 1960s, 70s, 80s & 90s. The CRC 2009 Fall Series will have 2 sessions – in October and November. The CRC 2010 Series will be monthly beginning in January 2010.
